Oct 19 (6 days ago)

Good Morning Renee and Jerry:

Please extend our gratitude to your members for the opportunity to come and talk about the budget last night. I recalled a couple of follow-ups I wanted to loop back about.

First, I've attached the one-page summary about the new version of what had been known as the "BUILD" fund.

Second, below is the cost breakdown about the jail. As you can see, it's about \$25.00 per home, per year. If there's any other information folks would find helpful please don't hesitate to email or call.

Best wishes,

Josh
