

All Dane County towns benefit by working together to explore new ideas, improve our systems and address common issues. To this end DCTA:

**Advocates for town government ~ Stronger Together**

**Tracks local government initiatives in Dane County**

**Elevates issues at both the State and County level such as stormwater erosion, changes in CUP, etc**

**Responds to town concerns and provide a forum to discuss common issues**

**Sponsors listening sessions with county staff and local officials**

**Provides educational programming**

**Serves as a resource for Dane County towns for planning**

**Solicits applications/conducts interviews/appoints or nominates representatives for:**

- **Dane County Lake and Watershed Commission**
- **Capital Area Regional Plan Commission every year**
- **DaneCom Governing Board (911 system)**
- **Madison Metropolitan Sewerage District/representing Towns in this District**
- **Dane County Broadband Task Force**
