#### Interview questions:

- 1- What is your vision for rural and urban towns in Dane County over the next 20 years?
- 2- What are your concerns about how the tax burden impacts town residents with fixed incomes? What are your goals for the total County debt?
- 3- What is your position on the County purchasing land and taking it off the tax rolls? Would you support Dane County providing financial payments to local municipalities, similar to payments-in-lieu that the state provides to compensate municipalities and other local taxing jurisdictions since land owned by the Wisconsin Department of Natural Resources (DNR) is exempt from property tax?
